

Certificate

Herewith we confirm that

Mrs. Jurgita Kazlauskienė

has been elected unanimously by the Managing Board of the ESPA
as an

ESPA Counsellor

ESPA Counsellors have at least a five years' full-time professional experience in the spa business, a good written and spoken command of at least one foreign language.

They also have a good general knowledge of international health resort and wellness issues and have acquired recognised expertise in the European spa business.

ESPA Counsellors stand for the aims of the European Spas Association, are actively involved in their implementation and have a positive, constructive attitude to the European idea and the European Union.

Sigrun Lang
President

Joachim Lieber
Secretary General
